

WILLIAMS NEW EXALTED RULER OF LOCAL ELKS

NEW OFFICERS ELECTED BY GREENCASTLE LODGE TUESDAY NIGHT

Clair Williams was elected Exalted Ruler of Greencastle Elks Lodge No. 1077 during the regular meeting held Tuesday evening. He will succeed Charles Bridges who has served most efficiently for the past year.

Other officers elected were Ben Cannon, Leading Knight; Lee Lewis, Loyal Knight; Robert Y. Cooper, Lecturing Knight; Richard Houck, Esquire; Dr. Charles Finkbinner, Tiler, and George Steward, Chaplain.

C. T. "Speed" Shideler of Terre Haute, secretary of the Indiana State Elks Association, gave a talk on the "Merits of Elksdom."

Officers of the Terre Haute Elks Lodge, twelve in number, were present Tuesday night. Exalted Ruler Floyd Bombard, of the visiting delegation, presented Exalted Ruler Bridges with an honorary travelling gavel. Mr. Bridges will in turn present this gavel to the Exalted Ruler of Indianapolis Elks Lodge No. 11 when the local officers pay a visit to the capital city organization on Friday evening.

Following the meeting, a banquet was enjoyed by all Elks present.

Cold Fails To Slow President

WASHINGTON, March 9 (UP)—President Eisenhower didn't let a slight cold keep him from conferring with a group of Republican women leaders at a breakfast today.

The President left the White House and attended the breakfast meeting at the Sulgrave Club, but otherwise he intended to take things easy today.

He planned to keep an appointment with President Henry C. Ritter III of the National Association of Manufacturers, but cancelled his scheduled morning conference.

White House Press Secretary James C. Hagerty said Mr. Eisenhower curtailed his activities "as a protective measure" because his physician, Dr. Howard McSnyder, detected "slight symptoms of a cold."

Hagerty also disclosed that the President went to Walter Reed General Hospital Tuesday afternoon for a 15-minute heat treatment of bursitis in the right shoulder.

The President spent most of Tuesday in his White House residential quarters where Mrs. Eisenhower already was confined with the flu. She has been ill since Sunday but has improved.

WRONG "HOTEL"

OMAHA, Neb., March 9 (UP)—Charles E. Lyon, 44, of Brook, Neb., was fined \$15 and costs for drunkenness when he tried to register at a "hotel" in the early hours of the morning. Lyon discovered the "hotel" was the central police headquarters.

V. F. W. NOTICE

Important meeting of Gen. Jesse M. Lee Post 1550 Veterans of Foreign Wars at 8 o'clock Thursday night. Members are urged to attend this session.

20 Years Ago

HERE AND THERE

Jacob Eitel, as president, presided at the closing banquet of the Indiana State Florists' Association convention held at Purdue University. His son, Kenneth Eitel, a Purdue student, took part in a style show, during the convention.

Eugene Akers, 4-H Club Agent, presided at a meeting of Junior leaders held at the court house. William Wright was elected president. Gerald Clodfelder and Eleanor Long were named vice presidents and Robert McVay, secretary.

NEW ELKS HEAD

Beauty Contest Response Good

Frank Henter, chairman of the coming Putnam County Home Show, reported today that he had received more than three dozen applicants for the Beauty contest which will be one of the features of the show.

The Beauty contest, along with the style show will be added attractions each evening during the week the show will run at the Greencastle Armory.

The application blanks for the beauty contest are available at all the county schools and many additional entries are expected before the Home Show opens on March 22.

Farmers Hear Talk By Marley

Al Marley, assistant county agent of Putnam county, spoke to Floyd Township Farm Bureau members on Monday night, March 7, at Floyd Center. He spoke upon better farming and living and said their aim was to help young farmers to farm more efficiently. His group had met in January and discussed individual plans for a 10 year view. The wives had sat in on the home planning program. He explained the method of how soil samples should be sent in to Purdue to find out needed soil elements.

Devotions were given by Ruth Wilms, her subject being "Character Builders for Eternity." She said many virtues would be included but brotherly love encompassed all.

The chairman, Irvin Wallace, spoke upon the achievement meeting at Greencastle and briefly reviewed the high lights of the district meeting at Crawfordsville in January. He announced there were 56 standard townships in the district and Floyd township was one of these. There will be a district meeting held at Cayuga on March 31. Anson Thomas or George Harvey will be the speaker.

Wilma Wallace gave a brief summary of her S and E conference at Indianapolis. She said there were 2500 ladies and a few men present. It was held on the Indiana Roof for the first time. A style show was put on by Penney's. The speaking contest was won by a speaker from District 9.

Mrs. King made a motion to invite all 4-H boys and girls of local township and their leaders to the April pitch-in supper. The motion carried.

Herschel Nichols read a petition that is being sent out to each owner of a cattle herd. The purpose being a clean state of brucellosis, a matter of vital importance to everyone.

Door prizes were won by May Louise Ader and Diane Nichols. Refreshments of cookies, candy and pop corn were served.

MASONIC NOTICE

Stated meeting Roachdale Lodge No. 602 F. & A. M. Thursday, March 10, 7:30 p. m.

Leon Williams, W. M.

HOSPITAL NOTES

Dismissed: A. L. Meredith, Inez Davis, Mrs. George Cox Zola Day, Greencastle; Ruth Sturgeon, Fillmore; Isa Teeters, Martinsville.

LIONS HONOR HAWK NET TEAM AT ROACHDALE

DPU ATHLETIC DIRECTOR IS SPEAKER AT CLUB'S ANNUAL DINNER

James Loveless, Director of Athletics at DePauw University, spoke to the basketball team of the Roachdale high school at the annual dinner meeting honoring the team by the Lions Club. Mr. Loveless mixed humor and good common sense in his talk, which was highly appreciated by everyone present.

The meeting was called to order by the club president, William Etcheson, and some business was transacted before the meeting was turned over to Hugh Espey, principal of the Roachdale school, who introduced the speaker. The speaker related an instance of how a youth, making a trip to South America went hungry, because he didn't know what his passage included. Mr. Loveless urged the students to know what their ticket called for. He said he had seen where athletics was the best laboratory possible as an incentive for a student to do his best, and he urged them always to do their best. He said he had seen students fail because their parents sacrificed and sent them to school, only to have them do as little as possible and in the end fail. He cited a navy acquaintance, who was taken prisoner in the war with Japan and how the Jap officers were persecuting the enlisted men, when this lad stepped in and stopped it. He said the lad was doing his best.

He urged the students to know their own ability, decide what is the most important and to sacrifice personal glory for the common good. In connection with his idea, he cited Charles Lindbergh, who knew what he was doing and what was important when he made his historical flight to Paris.

Norris Harbison was presented the Most Valuable player trophy, a beautiful traveling trophy that was started nearly 20 years ago by the Lions Club. He is a son of Mr. and Mrs. Dalton Harbison of Franklin township.

Richard Oglesby, coach at Roachdale, introduced each of the boys and his father, as the guests were guests along with the players, at the dinner meeting.

To Give Play On March 10-12

For the second straight year, the Wesley Players at DePauw University have selected a play by Christopher Fry as their annual offering here March 10-12.

Now in their third season of staging a full-length religious drama in Goble Memorial Church, the Players will present Fry's "Thor, with Angels" at 8:15 p. m. Thursday through Saturday.

Previous productions by the group, operating under the auspices of the Methodist Student Movement, have been T. S. Eliot's "Murder in the Cathedral" and "A Sleep of Prisoners," also by Fry.

Lead roles in "Thor, with Angels" will be played by Lila Hanna, Greencastle, and David Grogan, West Bend, Wis. Grogan has appeared in both of the earlier dramas.

Director of the DePauw Wesley Players this year is Robert Currie, Pekin, Ill. Noted for its effective use of dialogue, "Thor, with Angels" is set in 14th Century England and concerns the influence of St. Augustine in the British Isles. The local Wesley Players organization has been a leader in the recent revival of religious drama; and last year's director, Jay Buedd, was president of the National Wesley Players in 1953-54.

YOUNGSTER KILLED

MUNCIE, Ind., March 9 (UP)—Daniel A. Lowe, 9, was killed Tuesday when he dashed into the path of a car almost in front of his home. Police arrested Avery V. Spear, 31, the driver, on a license charge, but he was not blamed for the accident.

School For Nurses Is Established At DePauw; Will Start In September

A School of Nursing has been established at DePauw University. President Russell J. Humbert announced today, and will begin operation next September.

Under a cooperative arrangement with Methodist Hospital in Indianapolis, students in the DePauw School of Nursing will receive their final two years of clinical experience at the hospital.

The nursing program will cover four calendar years, with students enrolled in DePauw during the entire period but residing on the campus in Greencastle only during the freshman and sophomore years.

In a joint statement, President Humbert and Jack A. L. Hahn, superintendent of Methodist Hospital, said:

"We believe that this new School of Nursing will provide prospective nurses with the combined advantages of an excellent liberal arts education and professional training at one of the Midwest's leading hospitals."

The first class will be limited to 25 students, and the university's regular scholarship program will apply.

U. S. Ready For Any Red Action

WASHINGTON, March 9 (UP)—United States forces, backed by a Sunday punch of atomic weapons, stood battle ready today to hit Communist China itself if the Reds attack Formosa or other important Allied defense areas in the Far East.

Secretary of State John Foster Dulles unfolded this strategy Tuesday night in a nationwide broadcast which served both as a report to the nation and as an extraordinary warning to the Chinese Reds.

The warning was prompted by a growing feeling that the Communists really intend to try to conquer Formosa, a vital defense outpost for the United States in the Pacific Ocean area.

Dulles was reported convinced that the Reds must be told now that they will run into serious trouble if they try to attack Formosa or commit major aggression elsewhere in Asia.

The answer now will be up to the Reds.

At the same time Dulles kept the Communist Chinese guessing about U. S. intentions to defend Nationalist-held Quemoy and Matsu islands located near the Communist mainland. President Eisenhower, he said, will decide how the present "flexible defense" system will be carried out "in the light of his judgment as to the overall value of certain coastal positions to the defense of Formosa."

SEVERAL EVENTS LISTED

Cloyd Moss, president of the local Kiwanis, has announced several events in commemoration of the 40th anniversary of Kiwanis. Radio Station WNGV will present a Kiwanis Anniversary Program, on "Greencastle Speaks Up!" tonight at 5:30. A speech given by Dr. Russell Humbert at a recent meeting will be broadcast by tape recording. Dr. Humbert was a Lieutenant-Governor of Kiwanis in Ohio and has spoken before many Kiwanis groups.

JUST ONE CLICK

PASADENA, Calif., March 9 (UP)—Winslow W. Myers, 39, a uranium prospector, was arrested for drunkenness when police found him in his car parked the wrong way on a one-way street.

When he arrived at the jail Meyer got out his geyser counter, and gave the jail a thorough check for evidence of radioactivity.

All he heard was a single click—the sound of the closing cell door.

THE HOG MARKET

The hog market was steady to active today, with prices ranging from \$15.25 to \$16.00, with only a few going at the higher figure. The receipts totaled 9,000.

A director for the school has not been named, but an appointment is expected in the near future. Application for accreditation has been made to the Indiana State Board of Nursing Education and the National Nursing League.

During the two-year period on the DePauw campus, students will study basic communication, bacteriology, chemistry, nutrition, college algebra, human anatomy, human physiology, introductory psychology, philosophy or religion, abnormal psychology, physical education, and elective subjects.

The educational experience at the hospital will be integrated with the academic program at DePauw; and the entire curriculum will be on a collegiate level.

Each graduate of the four-year course will receive the bachelor of science in nursing degree and will be eligible to become a registered nurse.

During the first two years of the program a portion of at least one summer will be spent at Methodist Hospital for instruction in nursing fundamentals.

Lawmakers End Weary Session

INDIANAPOLIS, March 9 (UP)—The Indiana Legislature adjourned about dawn today, accepting toll road limitations hammered out by weary House-Senate negotiations to the satisfaction of all factions.

That erased the threat of a special session.

It took hours of political maneuvering and repeated party caucuses to define a compromise capable of ending the session, which extended 28 hours past its constitutional deadline.

The compromise was a 673.3 million dollar 1955-57 state budget containing a toll road rider which placated both the pro-turnpike forces of Governor Craig and the anti-turnpike group headed by Lt. Gov. Harold Handley. Each faction claimed victory in the outcome.

After Handley and House Speaker George Diener signed the bill, which contained this session's two hottest issues, the House adjourned at 4:15 a. m. and the Senate at 4:10 a. m.

Craig insisted the toll road agreement was "no compromise" on grounds "we will be able to go ahead with construction." He said the toll road program will not be impeded.

Handley called it "an important victory" for taxpayers, because "free" highway funds cannot be used for toll road projects. He said it prevents "disintegration" of public highways.

The compromise which a four-man House-Senate conference committee sought for six days was a lengthy paragraph inserted in the State Highway Department's portion of the budget. It said:

"The State Highway Department shall not enter into any contract, agreement or arrangement committing any funds appropriated or construction of any inlet or outlet road at the terminus of any toll road project, if that is necessary to make the toll road economically feasible or to make the bonds saleable."

Provided, however, that nothing in this section will prevent the normal and progressive improvement of existing state highways.

Handley's forces said this will prevent use of tax dollars to build toll road feeder routes, restrict the State Toll Road Commission's currently broad powers, and discourage new toll roads through legal interpretation.

Craig's forces said it raises no barrier to toll roads, clarifies present practices, and allows construction of any feasible turnpike route.

There were political surprises in negotiations leading to the compromise and a great deal of attempted "horse-trading." Democrats, though in the minority, played the major role in adoption of the agreement.

MEMBERSHIP INCREASE IS GOAL FOR 4-H

PUTNAM ADULT AND JUNIOR LEADERS HOPE FOR RECORD YEAR

This is National 4-H Club Week. Here in Putnam county local adult and junior leaders in the various communities are at work getting enrollment to make 1955 the biggest year yet.

The entire community would like to see at least 900 boys and girls enrolled in 4-H Club this year and the leaders have more or less set this as their goal. Last year 794 boys and girls enrolled with nearly 650 of them completing one or more projects. These folks enrolled in 4-H Club 1226 in 1954. A calendar of 4-H activities has been made and approved by 4-H leaders which indicates a busy season ahead for the Putnam County 4-H organizations.

High lights of this calendar are the Purdue Round-Up on June 8-10, 4-H Club camp July 10-16, Putnam County Fair August 1-6, the Indiana State Fair August 31-September 9, and the county-wide achievement program on November 14.

4-Hers learn by doing and their motto is "To make the best better." With this in mind the eight or nine hundred boys and girls who are embarking into this year's program will be striving to improve themselves with their various projects. Girls will be participating in clothing, food preparation, baking, room improvement, freezing, electricity, handicraft and other minor projects, while the boys will have pigs, beef calves, dairy cattle, sheep, poultry and rabbits for their livestock projects. Also they will be participating in soil conservation, forestry, wildlife, entomology, tractor maintenance, electricity and other minor projects.

There is a place and a project in the 4-H Club program for every boy and girl in Putnam county regardless of where she or he lives. Since the 4-H program is a voluntary one, interested boys and girls or their parents should contact local leaders or the county extension office for information and details.

Since the 4-H program is a voluntary one, interested boys and girls or their parents should contact local leaders or the county extension office for information and details.

The committee agreed last week to stay in session today until a vote on the nomination is completed.

Harlan was nominated to the Supreme court last November. But opposition developed, and no action was taken when the Senate held a special session that month.

WASHINGTON, March 9 (UP)—Sen. Albert Gore, D-Tenn., said today Civil Defense is setting up an "utterly impossible task" in proposing to evacuate all the nation's major cities in event of enemy air attack.

Gore, a member of the joint congressional Atomic Energy Committee, sharply questioned the practicality of the administration's mass evacuation plan. "I wonder if this plan is any more valid than the advice of just a few months ago to build shelters and dig in," Gore said in an interview.

Civil Defense Director Val Peterson warned an Armed Services Subcommittee Tuesday that in event of enemy attack, all 92 critical target cities in the nation will have to be evacuated.

Peterson said, there is no way of telling which cities the enemy bombers will hit, and selective evacuation of cities is impossible.

WASHINGTON, March 9 (UP)—Responsible individuals here concede that Communist agents more likely than not are employed on sensitive government projects and that one or more Alger Hiss' double agents remain on the public payroll.

It is reasonable to believe that several highly placed Communist agents—at or near the Hiss level—are operating actively within the government structure.

Belief that the government still is seriously penetrated by Communist spies is based on deduction drawn from known facts.

Senate Democratic leaders hoped to agree today on a compromise bill for cutting income taxes. If they do, it will be made public by mid-afternoon.

A compromise has been sought since Senate Democrats split over the House-approved measure to give everyone a \$20 tax cut. This proposal, strongly opposed by the administration, cleared the House despite some Democratic defections but has little chance of doing so in the more narrowly divided Senate.

BOY IS INJURED

Jimmie Campbell, son of Mr. and Mrs. Olyn Campbell, was struck by a car while riding a bicycle in Commercial Place late Tuesday afternoon. He was brought to a local doctor and then taken to the hospital for a further check. The boy was not seriously injured.

In Training

Pvt. James F. Cox

Pvt. Cox, son of Mr. and Mrs. Jesse Cox, Reelsville, R. 1, is stationed at Fort Riley, Kansas. His address is: Pvt. James F. Cox US55504621, Co. H, 86th Inf. Reg. T, 10th Inf. Div., Fort Riley, Kansas.

EXTRA!

WASHINGTON, March 9—The Judiciary Committee of the Senate voted 10 to 4 today to confirm Judge Harlan as a Justice of the Supreme Court.

WASHINGTON, March 9 (UP)—The Senate Judiciary Committee scheduled a long-delayed voting showdown today on President Eisenhower's nomination to be a Supreme Court Justice.

Committee members said privately that Harlan's nomination appeared headed for approval. But friends and foes alike said there would be several votes—perhaps five or six—against him. He is now serving as a Federal Circuit Court of Appeals judge in New York.

The committee agreed last week to stay in session today until a vote on the nomination is completed.

Harlan was nominated to the Supreme court last November. But opposition developed, and no action was taken when the Senate held a special session that month.

WASHINGTON, March 9 (UP)—Sen. Albert Gore, D-Tenn., said today Civil Defense is setting up an "utterly impossible task" in proposing to evacuate all the nation's major cities in event of enemy air attack.

WORKERS BUSY WITH CAMPAIGN FOR RED CROSS

PUTNAM COUNTY QUOTA FOR THIS YEAR IS SET AT \$8,100

The 1955 American Red Cross Fund Campaign solicitations are now in progress in Putnam County and Greencastle City. It is hoped that the goal of \$8100 will be reached before the end of the month.

When the volunteer solicitors come to your home won't you please give and give generously. Remember a one dollar contribution does not entitle a whole family to membership. It is for only one member of a family, so let's give a dollar for each member and have a 100% membership family.

The different townships and their quotas and the chairmen are as follows:

Clinton—\$150. Mrs. James Burk
Cloverdale—\$525. Mrs. Millard Vaughn and William Buck
Floyd—\$170. Russell Sutherland and Eugene Huber
Franklin—\$450. Blaise Robertson

Greencastle—\$275. North, Mrs. G. J. Longden Sr.; Limerdale, J. J. Eitel; Fox Ridge, Mrs. Jacob Hirt.

Jackson—\$150. Mrs. Lester Wilson
Jefferson—\$250. Blanchard Ketchum

Madison—\$140. Mrs. Ivan Ruark and J. E. Brattain
Marion—\$330. Raymond Herod and Mrs. James Giddings
Menroe—\$375. C. E. Steward and Mrs. James Curran

Russell—\$350. George Spencer Warren—\$175. Mrs. Allison Bridges and Mrs. Sutherland
Washington—\$230. Robert Lewis and Mrs. J. W. McElroy

Greencastle City's quota is \$4550, with the following persons in charge of their districts:
City Schools—Eugene Akers
DePauw University—Dean David W. Robinson
Business District—Clyde Baues

North West—Mrs. Perry Myers
West Central—Mrs. O. D. McCullough
South West—Mrs. Frank Stoessill

South East—Mrs. Isaac Skelton
East Central—Mrs. Harvey Owens
Northwood—Mrs. T. G. Yunk

Observatory Court—Mrs. Paul Gidencamp
Indianapolis Road—Morris Hunter
Commercial Place—Mrs. James Green

Wood Street—Mrs. Harold Stewart
Franklin St.—Garnet and Norma Hill
Hillcrest—Pete Milonovich

Shadowlawn—Mrs. W. D. Templeman
Central—Miss Margaret Curt

NEWS OF BOYS

FORT HARRISON, Ind., March 9—Sergeant First Class Dwight L. Land, 39, son of Mr. and Mrs. Dahl S. Land, Route 3, Cloverdale, recently was graduated from the Adjutant General's School at Fort Harrison.

Land, who completed the school's enlisted recruiting course, has since returned to Sioux Falls, S. D., where he is a recruiting sergeant with the 5115th Service Unit.

He is a 1954 graduate of Oklahoma A. & M. College.

Muddy, the wide ground can mean dirty eggs and many needless hours of egg cleaning. If you feel that you must turn your layers outside the laying house, keep them confined at least until noon, say extension poultrymen at Putnam University. Gather all eggs that have been laid before turning the birds out. Since most of the eggs are laid during the morning, only the smaller afternoon gathering will be exposed to muddy feet.

IT Will pay you to use the best -- and that's Sacco Fertilizer -- Free use of spreader.

SOCIETY

Mrs. Simison Hostess To Fortnightly Club

The Fortnightly Club met last night with Mrs. J. S. Simison with Miss Elizabeth Ensign as assistant hostess. During the business session, the club voted a donation to the Mental Health program and to the Polio drive.

Film chairman listed outstanding movies coming to Greencastle houses soon.

Mrs. William Bishop gave the program for the evening on art, mentioning especially the art of Benozzi Gozzoli and other painters of that day.

First Ward PTA Plans Family Night

The Parent Teachers Association of the Mary Emma Jones School will hold a Family Night meeting in the school auditorium on Friday evening, March 11, at 7:00 p. m. Mrs. Sydney Mandelblatt has charge of the program.

Rev. Mark Hamilton will lead the devotions. A special feature of the evening program will be pictures of Mexico.

Bainbridge Club Silver Tea Thursday

The silver tea of the Bainbridge Home Demonstration Club will be held at the Methodist church on Thursday, March 10, at 1:30. The silver offering will go to the cemetery fund and will be used to care for the cemetery.

There will be a short program and all who are interested are cordially invited to attend this meeting.

Mrs. Michael Hostess To Cloverdale Club

The Cloverdale Home Demonstration Club met at the home of Mrs. Perry Michael Friday afternoon at 1:30 o'clock Feb. 18th with Mrs. Wilbur Huber, vice president presiding. The roll call was answered with help received on lesson 1 on buying ready made

resses. Mrs. Agnes Stwalley, suffrage leader, gave a very interesting report on safety hints. Mrs. Nannie Furr gave a short report on lesson 2 on buying ready made dresses.

There were fifteen members, one guest, Mrs. Underwood and one child present.

Mrs. Perry Michael gave a very interesting contest on Washington. Prizes were won by Mrs. Nannie Furr.

Lovely refreshments were served by the hostess, Mrs. Perry Michael, assisted by Mrs. Loren Stwalley.

Meeting adjourned to meet March 18th at the home of Mrs. Ralph Fry. Mrs. Russell Houston assisting hostess.

The W.S.C.S. of the Cloverdale Methodist Church will meet Thursday, March 10th in the dining room of the church at 11:30 o'clock with Nellie McCurry and Nellie Sendmeyer as hostesses.

Women's Study Club To Meet Friday

The Woman's Study Club will meet Friday afternoon at 2:30 at the home of Mrs. H.E.H. Greenleaf, with Mrs. Clarke Norton as hostess.

Circle One Meets Thursday

Circle One of the Presbyterian church will meet Thursday evening at 8 o'clock at the home of Mrs. Herbert Heller, with Mrs. H. G. Triebel assistant hostess. The program will be in charge of Mrs. Walter Cox, Mrs. Wallace Graves and Mrs. Leland Trippett.

Group Meetings Are Scheduled Thursday

Group meetings of the Christian Women's Fellowship of the First Christian Church will be held Thursday, March 10th, with the following hostesses:

Kappa with Mrs. Charles Haskett.
Upsilon with Miss Edith

Browning.
Rho with Mrs. Harry Wells.
Iota with Mrs. Walter Herbert.
Omicon with Mrs. Maynard Shonkwiler.

Sigma with Mrs. Howard Burkett.

Clinton Falls W. S. C. S. Meets At Church

The Clinton Falls W.S.C.S. held its regular meeting and a tea for the Morton WSCS Wednesday evening March 2 at the Clinton Falls Church.

The meeting was opened by the president, Mrs. Wilma Cruse and the song, Sweet Hour of Prayer. A short business meeting was held and the election of officers for the coming year.

A song, What a Friend We Have in Jesus, sung by Mrs. Kay Thompson was enjoyed by

all.
Mrs. Evelyn Wysong closed the meeting by a talk about the Bible and prayer and what it means to us.

After the meeting everyone met in the church basement for tea, cookies and visiting.

There were eleven ladies and three children guests from Morton, seventeen members and five children from Clinton Falls.

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total national sales.

Who says you can't have getaway and gas saving too?

(maybe you'd better try Variable Pitch Dynaflo!)

As any automotive engineer will tell you, the goal in automatic transmissions has long been a design that would give top acceleration and top gas mileage—and still be absolutely smooth.

Well, it's easy to step up acceleration, or gas mileage—but tough to do both together—unless a lot of gear-smoothing takes place, which cuts down on smoothness.

So Buick engineers looked to aviation for the answer—and brother! what a wondrous new magic they came up with!

They took a leaf from today's plane propeller—which switches the pitch of its blades one way for quick take-off—and another way for better gas mileage aloft.

They brought the same principle to Dynaflo Drive*—to the twenty propeller-like blades in the Dynaflo "stator." They engineered these blades to swivel like the blades of the plane propeller—and with the same results.

In cruising and all normal driving, the blades are angled for economy—and you get a lot more miles from a tankful of gas.

But when you have to move instantly—when you need quick getaway, or a sudden burst of safety-surge power to get out of a tight spot—you just press down that gas pedal, and you're off in a split second.

You've never felt anything like it before—because there's never been anything like it before in an automobile.

It's action that's sheer thrill—action that's backed by the highest V8 horsepower in Buick history—action that's sending Buick sales soaring to record-high levels.

Come in and try it, at the wheel of a Buick SPECIAL, CENTURY, SUPER or ROADMASTER. You have nothing to lose—and the year's most thrilling buy to meet.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

DAILY BANNER CARRIERS IN GOOD LUCK CONTEST

The most intensive search for four-leaf clovers ever conducted in this community gets underway today and luck will play only a small part in the venture for the clovers are of a very special variety. This paper's newspaperboys, as alert and enterprising a group of independent young business men as we know of, are participating in the Good Luck Clover Newspaperboy Contest being sponsored by Lever Brothers Company.

With \$1,000 college scholarships, bicycles, encyclopedias, and a host of other prizes as their goal, The Daily Banner's carriers will be asking their customers to save for them the green four-leaf clovers from the front panel of packages of Good Luck margarine. The entire foil wrap from the margarine's solid-portion Family Style can also be saved. During the eight week period of the contest the carriers will pick up clovers from their

customers when they make collections. Each boy is eligible for as many prizes of his choice as are covered by the number of clovers he sends in at the end of the contest. The Daily Banner's newsboys will also be competing against carriers from hundreds of other newspapers for the top grand prizes offered. Ten \$1,000 scholarships to the United States college of his choice will go to each of the ten boys in the United States who

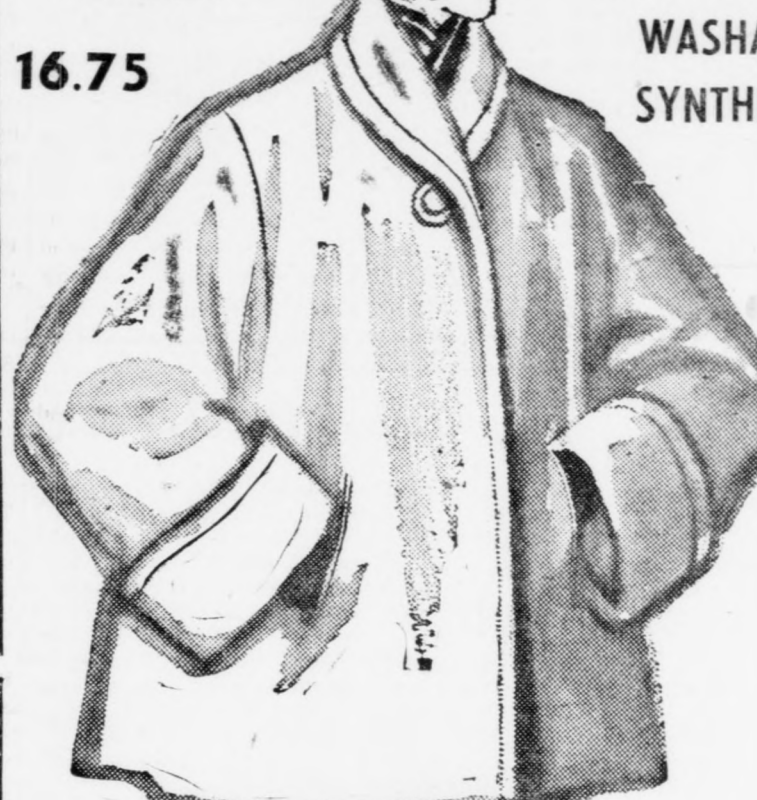

collects the most clovers during the period of the contest.

ACCOMPANIES HUSBAND

MEMPHIS, Tenn., Mar. 9 — (UP) — A Memphis Episcopal church is paying Mrs. Florence Greenwood's expenses to accompany her minister husband to an Episcopal convention in Hawaii because, it was decided, "Husbands can't be allowed to go running all over the globe alone."

THE FORWARD LOOK

TOP CAR...TOP SIX

of the low-price 3!

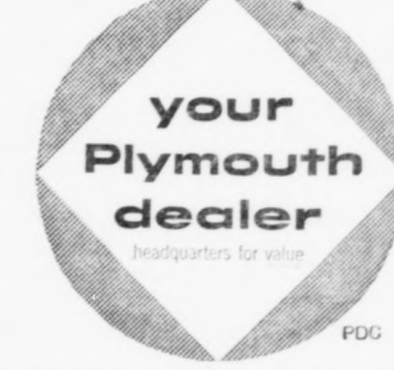

BIGGEST SIZE, SMOOTHEST PERFORMANCE, HIGHEST ECONOMY

Take a turn at the wheel behind Plymouth's new PowerFlow 117 engine—see why it's the smoothest, thriftiest 6 in the lowest-price field. Here's power for all driving needs, plus the super-smoothness of the PowerFlow's Chrome-Sealed Action. No other low-price car has it, and it's your guarantee of more years of gas-saving economy and trouble-free performance.

Taxicab operators, who depend on cars for a living, buy more PowerFlow 6's than all other makes combined... they say the PowerFlow 117 is the most economical, most efficient 6 ever built! Its L-head

design means fewer working parts, less friction. Its automatic choke meters each drop of fuel. Its bypass cooling system gives you quick warm-up in cold weather; dozens of other exclusive features promise you much lower operating expense.

The PowerFlow 117 engine is one big reason why the big swing this year is to the forward-looking Plymouth. Another is the new 167-hp Hy-Fire engine, the most powerful standard V-8 in Plymouth's field. Plan to drive a big, beautiful Plymouth with either of these two great powerplants soon—how about today?

Best buy new; better trade-in, too

ALL-NEW PLYMOUTH

UNCOVER NEW FACTS

Agricultural research men at Purdue University have been uncovering some new facts about leafhopper damage in Indiana alfalfa fields. They urge farmers to control this tiny insect because, in spite of being only an eighth of an inch long, it is probably costing Hoosier farmers 10 million dollars a year.

Some research being carried

on at the Purdue Sand Farm near Culver indicates that leafhopper control may be a major factor in helping keep a stand of alfalfa from running out, says M. Curtis Wilson, Purdue entomologist. Last year, alfalfa that had been treated to control leafhoppers averaged 45 percent more growth two weeks after cutting than alfalfa not sprayed.

More important than that, Wil-

son's research shows that there is a carryover effect on alfalfa vigor the following spring. Alfalfa that was sprayed in 1953 to control leafhoppers not only recovered earlier in spring, but it was so much more vigorous that it produced a third of a ton more hay per acre on first cutting than did the unsprayed crop.

Wilson points out that these results came from preliminary research and that much more needs to be studied about the problem before its importance is understood. However, stand maintenance has long been the biggest problem for the farmers who want to grow alfalfa. Other Purdue experimental research is being done on new varieties in the hope of breeding some that will resist insect attacks.

Meanwhile Wilson suggests that farmers should control the insects by spraying with 1½ quarts of methoxychlor in 15 gallons of water to the acre. This will prevent the yellow, stunted look that farmers find in their alfalfa fields when five or six million leafhoppers begin feeding in each acre of the crop. Resistance of the alfalfa plants is lowered and they are slow to recover following cutting.

The insects feed on cells of the leaf veins, which become torn and distorted, Wilson explains. Not only are alfalfa stands reduced, but quality of the hay for feeding is much lower. Leafhoppers do not confine their eating to alfalfa fields but will also harm potato and bean plants.

LEGAL NOTICE OF PUBLIC HEARING

Notice is hereby given that the Board of Zoning Appeals, City of Greencastle, will, at 7:30 P. M., CST, on the 11th day of March, 1955, at the city hall in the city of Greencastle, Indiana, hear evidence in connection with the petition of Jack Major for variance and appeal from the decision of

the city engineer with reference to the erection of a sign at 224 So. Bloomington Street, in said city of Greencastle, a residential area. At the same time and place the said board will hear evidence in connection with the petition of Paul Thomas Rising for variance and appeal from the decision of the city engineer with reference to the use of premises located at

202 Bloomington St. in said City of Greencastle, a residential area. Said hearings will be open to the public and public participation is requested.
